United States District Court - Central District of California

E-Filing of Patent, Trademark and Copyright Cases

The Court has authorized mandatory electronic-filing in patent, trademark and copyright cases, effective November 1, 2007.

Attorneys of record will be required to :

1. Attend a training class at the court,
2. Attend a training class through a private vendor sponsored by a Bar Association,
3. Complete the Court's online computer-based training program, or
4. Provide proof of a password and login provided by another federal district court in order to waive the local training requirement

Support staff is also encouraged to attend the training. To schedule training, visit the Court's CM/ECF website for information on all training options.

Additional information, including a link to the CM/ECF page and hardware and software requirements, are available at www.cacd.uscourts.gov.
